

Dear friends of UKPrays,

The summer comes to an end and thus also our summer break and although no monthly email was sent out for August it did not mean that we all took a break from the public rosaries. A lot has been happening these past two months which is so encouraging to see. Never must we grow tired of honouring Our blessed Mother in public with her chosen prayer the Rosary.

Pilgrim Statue Tour 2025

Leeds, York and Sheffield were hosted the statue these past two months. All three locations sought to honour Our blessed Mother according to their abilities. Sheffield was particularly blessed with a resurgence in devotion and activity. They organised five public rosaries and took care of the statue case by varnishing it and making sure it lasts for many more years to come. New people showed up and were moved by the statue wanting to help and contribute to beautify and embellish the actual statue. We thank all the people involved and are certain that Almighty God will reward all generous souls in due time.

New Public Rosary Location

Harrogate: in front of Cenotaph, Prospect Square, first Friday of the month, 11am

If you live nearby, please join this group which meets once a month on the First Friday.

News from Rosary Groups

Westminster: The feeding of the homeless on the First Sunday of each month was again a success and one leaves the location always satisfied and grateful to have been able to help. The homeless around the cathedral seem to be increasing considerably, so it is a good location to alleviate some of the urgent needs of the destitute.

Looking ahead

The March for Life will happen on Saturday 6th September. A group of us will congregate at Westminster Cathedral at 12:30 and then march together as a group with banners of Our Lady, praying the rosary during the march.

September also marks the feast of the Seven Sorrows of Our Lady, as well as the Feast Day of Our Lady of La Salette on the 19th September. When Our Lady appeared in 1846 the children saw her sad and crying because of two specific sins of mankind: working on Sundays and

blasphemy. How sad must Our Lady be at our world today, drowning in apostacy and sin, where even nations which were once Catholic are now becoming almost unrecognisable. During the apparition she made also this fervent appeal:

“I make an urgent appeal to the earth. I call on the true disciples of the living God who reigns in Heaven; I call on the true followers of Christ made man, the only true saviour of men; I call on my children, the true faithful, those who have given themselves to me so that I may lead them to my divine Son, those whom I carry in my arms, so to speak, those who have lived on my spirit. Finally, I call on the Apostles of the Last Days, the faithful disciples of Jesus Christ who have lived in scorn for the world and for themselves, in poverty and in humility, in scorn and in silence, in prayer and in mortification, in chastity and in union with God, in suffering and unknown to the world. It is time they came out and filled the world with light. Go and reveal yourselves to be my cherished children. I am at your side and within you, provided that your faith is the light which shines upon you in these unhappy days. May your zeal make you famished for the glory and the honour of Jesus Christ. Fight, children of light, you, the few who can see. For now is the time of all times, the end of all ends.”

Immaculate Heart of Mary, pray for us.

God bless,

UKPrays
